- We are a fully licensed non-profit organization that admits students of any race, religion, or ethnic origin.
- The daily program is a balanced combination of free play and guided activities. Highlighted with educational field trips around our local community.
- Opportunities exist for self-expression through play, art, language, science activities, and music.
- We offer exposure to numbers, letters, shapes, and colors through toys, games, and finger plays, yet we give each child the freedom to absorb information at his or her own rate.
- Programs for 2 (turning 3 by Dec. 31st), 3's, 4's and Pre-K
